Education

Bachelor's Degree in Computer Science, Faculty of Technology and Education, Helwan University
2017 – 2021

Professional Experience

Freelance Front-End Developer - Remote

2024 – Present

- **Tech Growth** - Hands-on expertise in React.js, Next.js, Tailwind CSS, and Redux Toolkit.
- **Hands-On Projects** - Delivered real-world apps focused on scalability, performance, and UX.
- **Client Work** - Built diverse apps including a furniture e-commerce site, scheduling app, business dashboard, and task manager with optimized performance and responsive design.

Front-End Developer – Procoor

2023 – 2024 | Heliopolis, Cairo

- **UI Component Kit** – Created reusable components (buttons, modals, inputs, cards) that reduced development time by **30%** and maintained consistent design across internal tools.
- **Real Estate System** – Built a responsive UI with React.js for invoicing and scheduling, ensuring accessibility and smoother workflow management.
- **Procoor Marketing Website** – Developed a high-performance landing page with HTML, Sass, and JavaScript, achieving **noticeably faster load times** with fully responsive design.
- **225-F Restaurant Website** – Delivered a multi-page responsive site with a dynamic menu and image gallery, enhancing user experience and engagement.

Intern – IT Sharks

01/2022 – 06/2022 | Maadi, Cairo

- **Project Execution** – Completed real-world front-end tasks and UI projects under team supervision, gaining practical experience with modern development workflows.
- **Certification Awarded** – Received an official certificate from IT Sharks in recognition of project quality and performance.
