Education

Bachelor's Degree in Computer Science, *Faculty of Technology and Education, Helwan University*
2017 – 2021

Professional Experience

Freelance Front-End Developer,
Multiple clients – Remote
2024 – Present

- **Tech Growth** – Developed hands-on expertise in React.js, Next.js, Tailwind CSS, and Redux Toolkit through continuous self-driven learning.

- **Hands-On Projects** – Delivered multiple real-world projects leveraging modern front-end tools, focusing on scalability and user experience.

- **Client Work** – Built and deployed a business sales dashboard, a scheduling platform, a furniture e-commerce website, and a task manager with integrated timers. All projects were developed using Next.js with a strong focus on performance, scalability, and user experience.

Front-End Developer – Procoor
2023 – 2024 | Heliopolis, Cairo

- **UI Component Kit** – Created reusable UI components (buttons, modals, inputs, cards) for scalable use across internal tools.

- **Real Estate System** – Built responsive UI using **React.js** for invoicing, scheduling resource tracking with focus on accessibility.

- **Procoor Marketing Website** – Developed landing page with **HTML, Sass, JavaScript**, focused on performance and responsiveness.

- **225-F Restaurant** – Built a multi-page responsive for a smoked meats restaurant, featuring a dynamic menu and image gallery.

Intern – IT Sharks
01/2022 – 06/2022 | Maadi, Cairo

- **Project Execution** – Completed real-world front-end tasks and UI projects under team supervision.

- **Certification Awarded** – Received an official experience certificate from IT Sharks in recognition of project quality and performance.
