Education

Bachelor's Degree in Computer Science, *Faculty of Technology and Education, Helwan University*
2017 – 2021

Professional Experience

Front-End Developer (Freelance, Remote)
2024 – Present

- **Tech Growth** – Gained hands-on experience with React.js, Next.js, Tailwind CSS, and Redux Toolkit through self-driven learning.
- **Hands-On Projects** – Applied modern front-end tools across multiple real-world projects, focusing on scalability, user experiences.
- **Client Work** – Built and delivered responsive dashboards, scheduling system, and e-commerce interfaces for real clients.

UI Developer – Procoor
2023 – 2024 | Heliopolis, Cairo

- **Real Estate Management System** – Designed and implemented responsive UI for invoicing, scheduling, and resource tracking — with focus on layout, accessibility, and user experience.
- **Procoor Marketing Website** – Built a fully responsive marketing website to showcase the company's real estate services using HTML, CSS, JavaScript, and Sass.
- **225-F Restaurant** – Built a multi-page responsive for a smoked meats restaurant, featuring a dynamic menu and image gallery.
- **UI Component Kit** – Created reusable UI components (buttons, modals, inputs, cards) for scalable use across internal tools.

Intern – IT Sharks
01/2022 – 06/2022 | Maadi, Cairo

- **Project Execution** – Completed real-world front-end tasks and UI projects under team supervision.
- **Certification Awarded** – Received an official experience certificate from IT Sharks in recognition of project quality and performance.
